Welcome to the first issue of Terc Torque for 2009.

A number of new faces have stepped up to take roles on the committee this year - without these people, and all the helpers behind the scenes, the club would not exist.

So before you have a moan or a

whinge about something, have a think about the effort these people put in. If you think you can contribute in some way, or have any suggestions or ideas, feel free to come along to a meeting and put your ideas forward.

## Fuel Jugs

Proper commercially available, purpose built 20 L fast fill fuel containers are able to be used this year. An example of this is the Tuff Jug sold by Ballards for \$69.95 plus freight.

**THE RED 20 L JERRY CANS ARE NOT SUITABLE.**

## Congratulations

A big congratulations to Stuart Chugg who was awarded Life Membership at the end of year dinner last December. I don't think Chuggie was expecting this and was lost for words.

Another award presented at the dinner was to Matt Woodhouse for 20 consecutive starts in the Tom Bently Memorial 8 Hour Enduro.

Alex Febey and Bec Keygan celebrated their wedding on the 21st February. They were blessed with a beautiful day and everybody had a good time. We wish you all the best for the future.

Congratulations also go to Matt Philips for securing a factory Honda ride for 2009. How good is it to say that we know Matt, and have seen him race, or even raced with him! We wish you every success Matt!

## Scorers

Scorers are needed for the junior races at Granville. Speak to Eggs or anyone in the van at the race. If we can't get any scorers, we won't be able to race.

## Age limit for 100-200 Juniors

Riders must be 14 years of age at January 1, 2009 and under 16 years to be eligible to race in this class. Riders under the age of 14 who race in this class will get no race points.
