## Eggs Extra!! - Presidents Report

With the first major Junior/Senior grass track out of the way at Lower Barrington, I am pleased to report how successful the two days were, both from a competitor and TERC member. The Saturday with juniors with massive fields (32 in PW C!!) across the start lines and the grins on all the kids' faces really said it all. To have such a large number of entrants and spectators at an event without a single incident is a credit to all involved right through from the competitors to the well behaved spectators so thank you to all that attended on either day . . . special thanks to the Connors family for their hospitality!!!!

Well done to all riders on both days in some often trying conditions (yet again the seniors in the wet and mud !!!) and congratulations to all the class winners. Cameron Britt put on an awesome display in the King of the Paddock Final to finally wear down the old Fella (Royce) for his (and maybe not last) win . . . We

must thank Cam for also packing up half the track during his first race, cleaning up most of the tape as he crashed his way around and neatly rolling it up in the pits . . . pity it was so early in the day!! As for Royce he's already on the track training for the next one so look out!!!

I was also fortunate to cross over to the Dark side (Quads) and experience racing from another perspective, so thanks to Mark Baynton and John Elliott to shaming me into it. I had an absolute ball and may be tempted to have another crack on the "Boogie Boards" later on!!! Thanks for the loan Mark . . .

Well done to Troy Sheridan for the fastest lap of the day (on a quad!!) and the winner of the first Motorcycle Scene \$100 gift voucher. He set many lap times around his winning mark and was a standout all day, so pull your finger out two wheelers ready for Cressy!!!

With 32 races throughout the day the transponder scoring in its first

event proved its worth with the results punched out that night (given a bit of tidying up). Please let the ladies in the caravan know if you're using someone else's transponder as it can cause headaches. They are "personal transponders" and meant for one competitor. It also was good to see competitors racing across the finishing line again with less than a second separating some finishes. With the juniors coming on board next year those who don't have one get in quick!! As the next order that's placed will be more expensive.

Please get out to Beaconsfield and give the track builders some help on the 10th of July as there is heaps still to be done and we desperately need assistance . . . Check the website for details!!!

See you all at Beaconsfield for our next Enduro.

**Cheers Andrew Bacon**

## JUNIOR REPORT - LOWER BARRINGTON

Yet another sensational dry junior day!!! Unbelievable! I think juniors must have some very good connections to the almighty above. A huge thanks must go to Brett & Simone Connors for the use of their property and combined with Leo's "Café de-Wheels" in donating the cool medallions. A big thanks must go to the all track builders on the Friday, Tony Howe for all his endless amounts of work, Peter Stafford for his delivering and retrieval of the TERC truck for the last few events, all the flaggies, the starters and all the scorers that are finding it extremely hard and dangerous to score the bikes when they won't slow down through the chute. If this continues you will not be scored and be black flagged for the race (be warned)!!!

Now to the fun stuff, big numbers all 188 riders, big day! The Pee Wee's and Trail C's saw some tight racing with many corners, thanks to Terry (I love my KTM) Watson!

The big winners on the day were Conner Hookway, Jhy Payne, 3 from 3 Callum McGlade, Cooper Dewis and home track advantage Mitchell Connors in Trail C. All races and racers were a scorers and flaggies nightmare but with good help from parents and friends etc it made the job a lot easier and enjoyable! Watch out everybody team Woodhouse is on the march!

The bigger track saw some big hole shots from Ormey and with some

sensational close racing but Leroy was too good on the day and took out the 100 -200 A's, the other winners on the day were a young Will Johnson showing he has found his way around a grass track on a 250, nice ride Bro! Mr Consistent Jaidyn Cox had a bit more competition than in the past but still managed to come out on top. With the 80-85's & 60- 65's Joshua Spotswood, Nick Walters won 3 from 3, Jack Hanlon, Connor Eastley, Liam Donohue, Bailey Wright and all put in a big effort on the day to become the winners and grinners!

Trail A, yet another Mr Consistent, Cale Medwin showed young Bruce the way to go, to take out yet another grass track round and finally last but defiantly not least with 24 starters with 9 girls Trail B, City Bike's Jake Scott took out the top spot, watch out for the RT 100 she's an oldie but a goody!

Around the tracks: an excellent show of sportsmanship was shown by # 81 on the Pee Wee track by stopping to make sure his fellow rider was OK after falling off. Also on the bigger track, #261 for slowing down in the chute and always calling out her number! WELL DONE!

To all you Junior web surfers out there, check out the New TERC JUNIOR web page with heaps of cool games and links to your favourite sites on taser.com.

**Cheers
