Eggs Extra!! - Presidents Report

I probably made the biggest mistake of the year at the recent junior enduro at Beaconsfield by mentioning that the juniors always get the good weather and it was about time that they enjoyed a damp race!!!! Someone kindly pointed out that the seniors were racing the next day and that it would be worse which brought about laughter but how right they were!!!! To the point it was so wet the event was called off, which as long as I can remember hasn't happened at an enduro?? The road access to the pits was about 3 foot under water stranding our lone camper Chuggie with the TERC truck, caravan and toilet till water levels subsided later in the day. Without even being able to get access to the pits we had no choice but to abandon the day. Hopefully most people got the message early enough to avoid tracking all the way down there to

find everything under water. The juniors on Saturday had a tough day battling consistent rain and floods on both the Peewee and large junior tracks. For those that battled through the day congratulations on your dedication to stick it out for the day.

Special thanks must go to Terry Wilcox for the hours of work he had spent setting up tracks for both days. I know he had some helpers, but not nearly enough for the distance of the track so thanks for all your efforts. The challenge we have for the remainder of the year is to get as many people we can to get out and spend some time track building for our upcoming events. Put it simply - people/riders can complain all they like about the tracks we ride on, but if they don't get off their backsides and give us a hand to prepare them,

they really have nothing to complain about!!! We still have plenty of events coming up for the remainder of the year so if you get some spare time one weekend, get in touch with the track co-ordinator (off the website) and get out and give them a hand...

Other than that, Juniors get in and organise your transponders for next year ASAP as there aren't many left at the cheaper price!! We will also require helpers with the scoring system for the remainder of this year and certainly for the juniors next year. We will be running training sessions throughout the year so if you can help out on the computer send an email through to info@taserc.com and we can set you up.

See you all At Cressy!!!

Cheers Eggs
(Andrew Bacon)

TRANSPONDERS

Just a reminder that your transponder needs charging a couple of days before the next race - otherwise your bike won't register on the timing system.

Track Building Cressy

Dan English is "the man" again for Cressy this year. Contact him on 0419 230 310 to if/when he needs any help.

DEADLINE FOR NEWSLETTER ITEMS

The deadline for the next issue of TERC Torque is August 9. Items received after deadline will appear at the Editors discretion.

How would you like to get your hands on the latest newsletter before everyone else?
Email me - brum007@internode.on.net - and I'll add you to the email list.

JUNIOR REPORT - BEACONSFIELD

Well it had to happen eventually. A WET DAY for the Juniors. Thought the tables had turned & the Seniors would get a better day for a change, but no, the river flooded & they missed out. It was a good turn out for a miserable day & congratulations to all those that participated in trying conditions and persevered to finish the race. Thanks to Terry Wilcox & helpers for setting up the track, Chuggie who camped there & looked after the TERC gear. Luckily the river subsided & he eventually managed to get out. Also thanks to the Murfets for their help packing up the truck & Terry Watson for bringing the truck back & all the others for their help.

On race day thank you to Rod for First-Aid, to Kim, Rochelle & Roz for scoring & putting up with all the competitors roost. There were quite a few not calling out their numbers & this makes it hard to score especially in muddy rainy conditions so call out your numbers in big loud voices. Thanks to Eggs & those that helped out with the Pee-Wees, Flaggies & Sweepers.

A few of the competitors said that one of the sweepers had a full head of steam

which was escaping from his ears & we believe he was not the only one as the Sweepers got a major workout. Thanks HEAPS to Norrie, Westy, Glen Howard, Shane Tuson, Dean Murfett, Rhys Yaxley & Hayden McLean for all their help out on the track. Don't forget to thank your parents for taking you to races & putting up with soaking rain etc. Mums (sometimes Dads) for washing dirty gear.

Hard to believe we are half way through the season but we still have some great events coming up including the Bridport Enduro. Well the next event will be the Cressy Grass Track on Saturday 8th August. It won't be a 2 day junior event like other years but I am sure we will see some great racing. Make sure your bikes & gear are spotless otherwise you won't be able to race. Watch the website & newsletter for track set up times.

Tony

Bike Numbers

Please make sure that ALL numbers - front & both sides are clearly visible. Little numbers stuck over other numbers are not the go. If your number isn't able to be read then you won't be scored correctly.

TERC postal address

The postal address for TERC has changed. The new address is PO Box 373, Ulverstone TAS 7315.
