Life Members:

John Humphries, John Holmes, Tom Bentley (dec), Greg Jacques, Rod Hudson, Michael Keygan, Royce Smith, Stuart Chugg, Bill Broad.

EGGS EXTRA!! - PRESIDENT'S REPORT

With the last event for the year over and done with, it's certainly not the final year report I was planning to write. With so much focus in promoting and ensuring the 8 hour event was a great success, as it has been for the past 20 or so years . . . one incident brings everything back into perspective and reminds us all of how tragic sometimes life can be.

Without going through all the details of the days events - to Terry, Nita and their families the whole TERC "Family" is 100% behind you in our thoughts and prayers, and ready to help and support you through this difficult time in whatever way we can now and in the future. An incident like this does bring people closer together, and I'm proud to say that the support and closeness that I have seen over the past few weeks has been a strong sign of how close and united a group we really are especially in times of need.

We can't forget Sammy Walters and Mick Munroe also, as they have a tough road ahead in the next few months so our best wishes are with you guys too and hopefully a speedy recovery.

The upcoming presentation dinner is all booked out so I'm looking forward to catching up with everyone over the next few weeks and enjoying both functions. I'm sure the stories at

the end of the night are going to be the ones really worth talking about as the riders are only going to get faster and faster the more fuel they put in their bodies!!

With this year almost over and done with I would personally like to thank the Committee for all the support and help in putting together a pretty successful 2010 race year. Many don't realise just how much work goes into running our year, but I must especially thank Kim Brumby and Rochelle Stone for all the hours they have put in as Secretary and Treasurer, and for making my life hell!! (I mean easy!!) for generally most of the year!!!

Both these positions are up for grabs next year so if you're keen to get involved further within the club really give this some consideration leading up to the AGM in early February.

Keep your eyes on the website over the next few months for updates on events etc and make sure you get your memberships in early to secure your numbers for 2011.

I look forward to catching up with everyone over the next few weeks, but if I don't please have a safe and happy xmas to you all and your families and a happy new year.

Cheers
Andrew Bacon
(Eggs #28)

TERC Torque, November 25, 2010
