EGGS EXTRA!! - PRESIDENT'S REPORT

With the wet season upon us, how fortunate were we to get 2 great days at Carrick (Agfest) recently for Round 3 of our Grass Track Series? With the rain pouring down all around, with the exception of 20 minutes on the Sunday we had near perfect conditions. Firstly, I must thank Rural Youth of Tasmania for giving us access to such a terrific venue, and for the use of their facilities. The layout of the track for spectators and racers was a credit to all those who came and assisted setting up the event. I must admit I was a little concerned with the size of the area we were designated with to race in, but I think all and all the 2 days were a great success. Thanks to the 20 or so people that came and helped set up and to all those that hung back and helped tidy up late on the Sunday arvo.

Full credit must also go to all the racers, members and spectators for looking after the site and for the clubs conduct over the weekend. We were fortunate to get some great newspaper and television coverage, which all helps the promotion of the club, and hopefully will continue in the future.

The quality of the racing in all classes was exceptional. I guess no one more than Matty Phillips over the weekend. I don't usually single out individual riders (and I'm sure he doesn't like the attention!!! . . . much!!!!) but his "Training Ride" for the World Juniors in France was worth the watch, and an inspiration to all riders as it wasn't that long ago he was tearing around in the juniors. Congratulations Matt on your performance in representing Australia (and TERC) at the international level. The first thing he emailed to me, was that he was on his way back to get ready for the our next Grass Track at Sisters!

Shows how keen and how much he loves being a member of our club!!

With the final events for the year coming up, we probably have saved some of the biggest till last. The two day grass track at Sisters Hills will be huge on 2 very different tracks to last year. It's become even bigger this year as we are hosting a Pink Lady event for Breast Cancer Network Australia (BCNA). Jenny Streeter came up with this idea earlier in the year and as a club we should be proud to support her and the BCNA in this to try and raise as much money as we can in support. All monies raised across the weekend will go directly to the BNCA network, through the purchase of pink t-shirts, raffle tickets and donations from individuals and local business's. There will also be heaps of prizes and give aways across the weekend, so show your support by wearing the colour pink over the weekend (good chance for some riders to get out and show their true colours without feeling embarrassed!!!).

With both Juniors, Seniors, Quads and Ladies racing over the 2 days, we will be calling on everyone to do their bit to make it a success - whether it's flagging, starting, scoring, scrutineering, track building and packing up. We have a massive amount of work to do to make this event run smoothly, so please even if you can spare ½ hour sing out to one of the committee and give us a hand!!! Track building is Saturday 4th and Sunday the 5th of September 10am out at the track. Give us a call if you can spare some time to help out.

See you all in your Pinks!!!

Cheers
Andrew Bacon

The next event, the 2 day Wynyard Grass Track at Sisters Hills will be a fun action packed weekend on the 11th and 12th September. I hope we can get a good turnout of Quads for the 2 days of racing.

Check the TERC website and if you can, come along and help track building for the next Grass Track event.
