A PADDOCK OF PINK!

Dear TERC Member

At the Wynyard Grass Track 11th– 12th September we are keen to host a Pink Lady event for Breast Cancer Network Australia (BCNA). BCNA is the peak national organisation for Australians personally affected by Breast Cancer. BCNA connects more than 250 Breast Cancer member groups and over 40,000 individuals across the country.

It is hoped to get sponsorship to cover costs of pink singlet's/ t-shirts (depending on availability) and the screen printing with TERC 2010, the BCNA symbol being the Pink Lady silhouette and the sponsors.

We are hoping to keep costs to a minimum and all the proceeds are donated to BCNA.

To assist with ordering we are asking members to give us an idea of sizes and how many shirts you might purchase. Shirt sizes would go from a child's size 4 to an adults 5XL.

This is not just for the riders, wouldn't it be great to see as many people as possible (men, women and kids) over the weekend support this wonderful cause.

HELP US CREATE A PADDOCK OF PINK!
