## Eggs Extra!! - Presidents Report

With the cancellation of Sheffield I thought I may have been able to get away without writing something. But no!!! No rest for the wicked!!! It does give me a chance to let everyone know how difficult it is to get permits done and what's involved. Basically we missed Sheffield because the requirements from Councils and Police have tightened and we are forced to meet further criteria in order to race. Minimum 30 days notice to police, council regulations regarding toilet numbers, catering, vehicle access, environmental impacts, noise, and permissions from land owners are all things that need to be completed before we can even start to think about a race!!! Unfortunately we missed the Sheffield Enduro cross due to a combination of all the above and are working with all parties to ensure it won't happen again!!!

To clear things up we won't be running an extra event or rescheduling Sheffield. It's an unfortunate end to the junior and quad enduro series, however due to the busy schedule for the remainder of the year, we are hard pressed to get all our racing plus arrange presentations and dinners before xmas . . . so Updated final enduro series points for the juniors/quads are on the web so check them out.

For the remainder of the year we have our 2 day grass track for everyone at Sisters Hills in what will be a super place to race given the paddocks I checked out earlier in the week. Two different tracks in two days. Flat out racing . . . what more could you want!!!

The 8hr follows a few weeks later at Preolenna and judging by the reaction of those track builders that were fortunate to grab a peak at the track last weekend, we are set for a great track that promises alot of fun to go along with the challenge of 8 hrs of racing. We even have the ladies putting in teams to battle it out so if you're half keen get a team together for what will be top event!!!

Heads up for next year . . . we have already scheduled a few events for an early start to 2010. Memberships will need to be in and paid up in full by the 20th of January to secure your race numbers. If you're not paid up by then your current number will become available. No numbers will be held after the 20th!!! To avoid any previous confusions!!!! The AGM is scheduled for Tuesday, February 2nd at the TERC Clubrooms in Spreyton, followed by the junior training day on the 6th of February 2010 for those who have brought and

intend to buy transponders (\$100value) by Matt Woodhouse, Matt Phillips and other expert riders. The first event for 2010 will be a Senior Enduro at West Takone on the 21st of February followed by our annual trip down the west to Granville for all on the long weekend in March. Keep your eye on the website for details as we get closer!!!

We recently took delivery of our second AMB/MYLAPS scoring system to use with the juniors for 2010. We are on track to implement these on all juniors from Trail A, B, 65s up to the 100/200 juniors so if you wish to be scored in these classes you will need one!! We now have a stock of transponders available at \$330 so get in and purchase one and receive free entry to the junior training day for next year- Great Xmas present?? We are going to need volunteers to train up and use this system in both juniors and seniors - so if you are at all interested in helping PLEASE contact me. It is very easy to operate. Even I can do it!! We desperately need help for next year!!!

Other than all that!!! See you all at Sisters Hills for our 2 day grass track!!!

**Cheers**

**Andrew Bacon (Eggs) #7**

### Scorers needed

Scorers are needed for both days at Sisters Creek. Please help out if possible because if we don't get more people to help with the scoring, there will be no racing!

### Sweep riders

Sweep riders are needed for the 8 hour at Preolenna. Bring your mates along - they only need to be a social member (\$10 per year). Must be a capable rider.

### Junior Training Day

This will be conducted by Matt Woodhouse and Matt Philips and other expert riders on February 6, 2010. The venue is to be confirmed.

## 2009 Race Calendar

# *More transponders now available*

***The new batch of transponders are now available.***

***The price of this batch is \$330 each.***

Day and casual riders will not be able to hire transponders on race days.  
They will need to be purchased 1 week before the race as they will need  
to be fully charged.

Contact Rochelle now to organise yours.
