## KAYNE'S CHATTER - PRESIDENT'S REPORT

The final round of the Yamaha Barry Richardson grass track has been run & won!!

Great weather & track conditions greeted us both days for racing. It's so pleasing when an event runs smoothly with the tireless work some people put in for your enjoyment!

We changed the track up completely from previous races on Matt's property and I believe it worked really well. I would like to congratulate all place getters across the weekend, with close racing in a lot of grades!!!

I would also like to congratulate all the juniors on their season as this was the last junior event for 2014. I will see most of you at the presentation day and for those I don't I will see you all again in early 2015 ready for another massive season!!!!

How pleasing was it too see the world champion in full swing at our

event when he was meant to be resting ha ha!! We are glad he turned up along with a massive crowd of spectators I must add as he showed the skills that wins you a world championship. Well done Matt & good luck at the six day!!!

The seniors have one event left for the year, the mighty 8 hour in Zeehan!!!! This is sure to be a thrilling event with lots of ironman & class positions coming down to this event. I'm hearing rumours of a few mainlanders coming down once again and this is always pleasing to see.

The Maine family have put in lots of work so get along too the west coast and support a region in need!!

Good luck everyone if we don't cross paths again this year I look forward to seeing you in 2015.

**Cheers**

## QUAD REPORT - OLDINA GRASS TRACK

What a great day, no injuries or real issues but a little disappointing on numbers. Track was great & weather held out which allowed us to see some great racing. Due to numbers all Quads started on the grid which lead to some of the leaders having to manoeuvre past the slower bikes towards the end of each heat.

### A Grade

With Troy (Buddha) Sheridan out due to injury it left the field wide open for some interesting racing. This first heat didn't disappoint with Adam Sienna (from Victoria) who was riding Troy's bike came together with Clinton Sheridan in the first turn. Adam came off the better and lead from start to finish with Josh Ray taking out a close 2nd. Clinton had to fight back from last place to take out 3rd place.

2nd heat was much the same which saw some bikes coming together in the first corner. Some close racing and changing in positions which ended with Clinton taking 1st place, Adam 2nd & Josh Ray 3rd.

3rd heat saw some tired riders but saw Clinton take out 1st place, Adam again for 2nd & Josh Ray a comfortable 3rd place.

### B Grade

Because B Grades was combined with A Grade saw some of these guys get to mix it with them & make for some interesting racing. Nice to see some of these guys leading for some of the time & forcing the A Graders having to work for their places.

Some nice lines & consistent racing saw Jedd Atkins-Denby take out 1st place, Brent Hampson 2nd place & Luke Harvey 3rd place.

### King of the Paddock

King of the Paddock saw some tired riders battle out to finish the 10 laps. Clinton Sheridan took out a very comfortable 1st place, Josh Ray 2nd & Jedd Atkins-Denby 3rd place.

### Summary

We would like to thank property owners for once again getting behind the club and allowing us to race because without them it wouldn't be possible. It is also not possible without the track builders & TERC committee & the volunteers on the day – thanks for the flag people.

That's then end of racing for the Quads for the year – see you all at the Christmas Dinner / Trophy Night.

## LADIES REPORT - OLDINA GRASS TRACK

What a great way to end the Barry Richardson Memorial Grass Track series. With the weather being kind, the ladies got treated to a great day of racing. Huge thanks to the track builders and the Reilly family for the property.

The day saw some great racing which goes to show how much everyone is improving and it was great to see some of the junior ladies moving up to seniors before the year is out and we hope to see more in 2015. Congratulations must go out to all the place getters for the day and congratulations to Sophie Coldcuitt for taking out the series for the year, myself in 2nd and Kalila Bakes with 3rd.

The next event will be the 8 Hour Enduro in Zeehan on Sunday the 2nd of November. I hope to see a few more ladies teaming up for this event. Remember you can enter in teams of 2 or 3 and the ladies will be racing the full 8 hours.

In 2015 I strongly encourage all mothers/sisters/aunties/ and any female over 16 to get in and have a crack at racing. Transponders are not required, so there are no excuses ladies, get out there and have some fun!
