## KAYNE'S CHATTER - PRESIDENT'S REPORT

G'day TERC Heads,

Wow what a big weekend!! We had two separate locations for juniors & seniors and a power of work required for this too happen!!

Firstly a huge thanks to Squibby & his team for all the hard work in setting up Latrobe!

Secondly to the Murfets & the many helpers in building Bakers Beach!

It was pleasing to see so many pitch in and help cheers.

OK so the juniors kicked off the weekend at Latrobe speedway with a very chilly start too greet all!

It was to be a very nice day with good numbers enjoying a slippery but fun track, good close racing was had with no dramas to report which is great too see, well done all!!

Sunday was yet another very chilly start, with a very early start out at Bakers Beach for the seniors.

Once again good numbers rolled up to tackle the challenging track!! Well done everyone that managed to complete the race and congrats to all place getters on the day!! (Also a speedy recovery to the injured riders).

Now we start to focus on the the next event a grass track at West Pine!! We have had a decent break from the grass tracks so here is hoping the weather gods are on our side ready to contest round 3 with some very interesting racing on the cards!!

So get all your gear sorted and we shall see you all at West Pine!!

Just a reminder that we do require lots of volunteers for grass tracks so be prepared to get your hands dirty!!

### Track Building

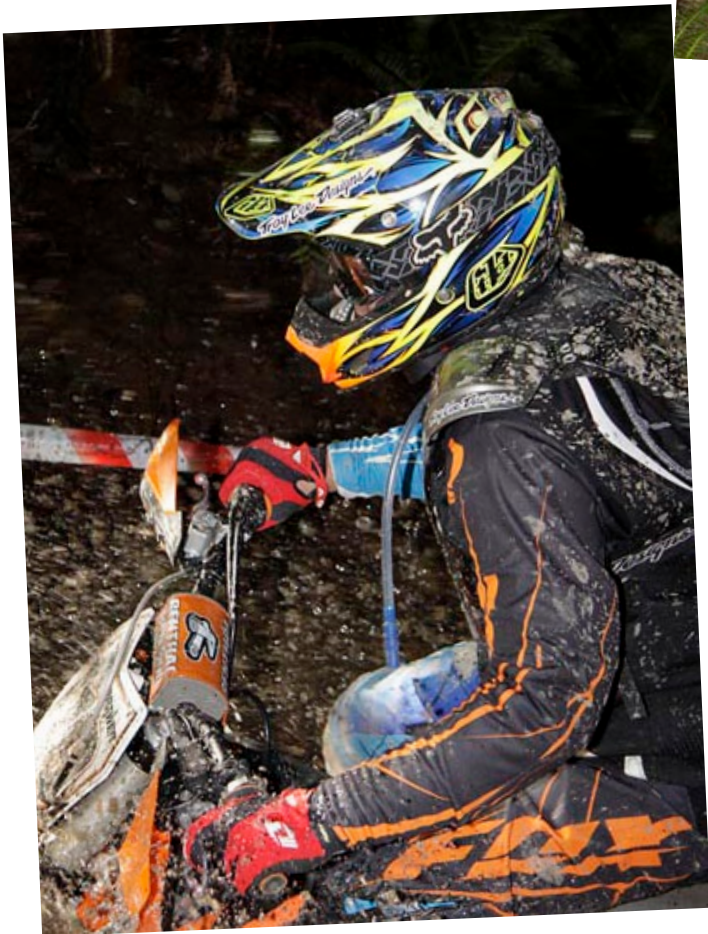

At a recent committee meeting it was decided that there will be no free entry for those who help at track building in the future. Everyone needs to lend a hand when and where possible to make the club run.

**NO TRACK BUILDERS  
= NO TRACKS  
= NO RACING**
