## KAYNE'S CHATTER - PRESIDENT'S REPORT

Howdy,

Sprent has been run & won. Saturday kicked off chilly but fine with a solid turnout in the juniors!

It was a good old fashioned enduro Sprent delivered once again, with very slippery conditions to contend with. I take my hat off to all the kids that tackled the track - it was a damn good effort to get through the day. Well done all.

Sunday's senior day started off exactly the same and it was a 22km loop that greeted all seniors and we had a reasonable amount turn up! Good racing was once again order of the day! I managed to sweep this race and I'm amazed at how fast the front guys are especially in those conditions!! I'm the first to admit I only got 300m in and parted ways with my bike!!! It just shows the more you ride the easier conditions are to handle. Congratulations to all place getters and although ironman

points are still currently being worked out, I believe it will be really tight with a few different winners this year to date.

I would personally like to thank Stoney & boys, AJ, Brett and the few that turned up to help with track building. This was a mighty effort by you guys thanks!!!

Juniors - OK so next up is an enduro x for the juniors at Latrobe speedway, this is always a great event as viewing is quite good.

Seniors - We head out to tackle Bakers Beach for another 3hr and I'm already looking forward to the battle for top honours!!

Well that's all for now. We are past the halfway point of the calendar so get those bikes & gear sorted and I will be seeing you all soon!!

## Track building for Bakers Beach is this Saturday.

**For more info contact Scott on 0419 139 529.**

### Clean bikes & gear

Just a reminder that all bikes and gear - especially boots - must be clean before racing. Any bikes not deemed clean enough won't be allowed to race.

### Tear Offs

No tear offs are allowed at any TERC event. If found they will be removed.

### Track Building

At the last committee meeting it was decided that there will be no free entry for those who help at track building in the future. Everyone needs to lend a hand when and where possible to make the club run.

**NO TRACK BUILDERS  
= NO TRACKS  
= NO RACING**

## QUAD REPORT - PIPERS AND SPRENT

### Pipers River Enduro – 25th May

Sorry for the delay on race reports. Pipers River enduro turned out to be great weather for both days – lucky for us. Pipers River enduro format was a little different seeing the quads racing second after the senior two wheelers. This didn't work out too bad, track conditions were a little rough which tested out everybody's skills & fitness. With A Grade once again being dominated by Buddha (Troy) Sheridan taking the win even after racing the 2 wheeler first, second place Clinton Sheridan & third place going to Josh Ray. B Grade was a tight race all day but seeing Josh Bourke coming out on top, Brent Hampson with second & Luke Harvey third. Well done guys great race.

#### A Grade

1st – Buddha (Troy) Sheridan

2nd – Clinton Sheridan

3rd – Josh Ray

#### B Grade

1st - Josh Bourke

2nd – Brent Hampson

3rd Luke Harvey

### 2014 Sprent Enduro – 22nd June

Sprent enduro never seems to let us down on having muddy conditions & this year was no exception. With the day being not too bad & rain hanging off made for a good day for racing. Very slippery & demanding

track but I have to say it was great fun & hats off to the track builders.

With A Grade once again being dominated by Buddha (Troy) Sheridan taking the win without being challenged, second place Clinton Sheridan & was good to see Matt Reilly returning to our club & taking out third place. B Grade was taken out by Josh Bourke, once again good to see another bloke returning to the race & secure 2nd place – well done Ben Coleman, with Brent Hampson taking third. Well done guys great race.

#### A Grade

1st – Buddha (Troy) Sheridan

2nd – Clinton Sheridan

3rd – Matt Reilly

#### B Grade

1st - Josh Bourke

2nd – Ben Coleman

3rd - Brent Hampson

We would like to thank property owners for once again getting behind the club and allowing us to race because without them it wouldn't be possible. It is also not possible without the track builders & TERC committee & the volunteers on the day – thanks for the flag people.

See you guys at our next event @ Bakers Beach

*Clinton Sheridan*

## LADIES REPORT

Sprent Enduro was a track with all different conditions from wet and slippery to dry and dusty. It was a really good track but the weather made it difficult for some with a lot parking up before the clock had stopped.

We had only 4 ladies line up to tackle the race and all 4 finished.

Congratulations to Rachel Grey for taking the win and all the rest of the place getters on the day.

The next event is an enduro at Bakers where the ladies will be racing for 2 hours. Check out the website for more information!

## QUAD

### Transponders

Can all quad riders mount their transponders vertically for the next event please. We are going to see if this improves the signal when crossing the transponder loop.

## TRANSPONDERS

Just a reminder that your transponder needs charging a couple of days before the next race otherwise your bike won't register on the timing system.

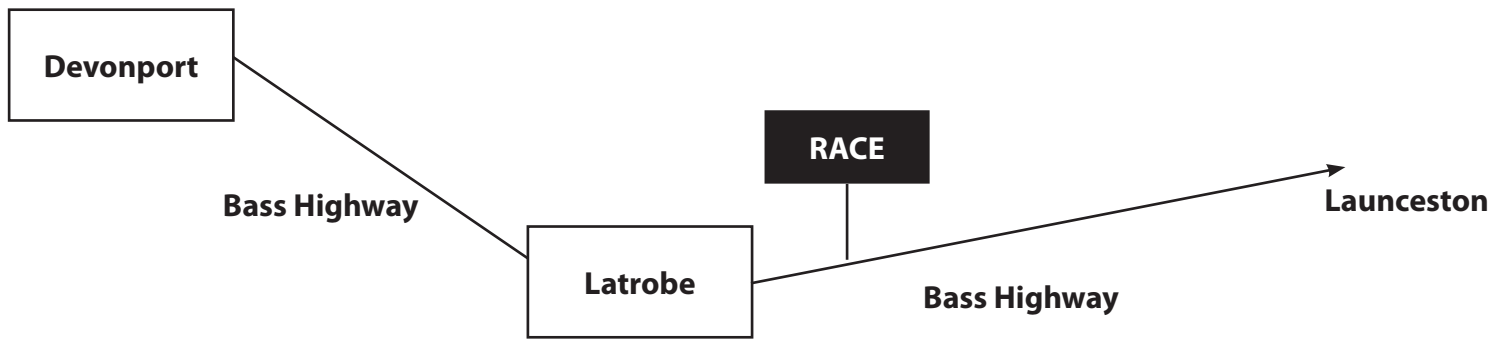

## Lost Property

Have you lost something?  
Check at the van at the next race.

## Quads

Quads are to have clearly visible numbers on FRONT & REAR of their machines.
