Bill Broad #19

Matt Woodhouse #141

G'day

Where do I start!!!

In the early hours of Thursday 20th of August the club was dealt a severe blow in the form of theft and arson to our truck and stock!!! It was a devastating situation to be confronted with. I was gutted as it was a culmination of years of gear and hard work gone up in smoke!!!!

What I will say however is how blown away I was with the calls of support and offers of help within hours of the news getting out. I would like to say a big thanks to you all.

So this left us with only 48hrs to get emergency supplies for the oonah enduro/sprint and we were determined not to let the senseless actions of some lowlife scums stop our great club!!!

So Saturday rolled around and so did the juniors with lots of rain Friday making things a little slippery everyone seemed to enjoy the day!!! I was so pleased with all the helpers on the day from the girls who manually scored the pee wee track to the ones who brought supplies for our event to happen. Congratulations to all the place getters and this being the last enduro of the year for juniors it had plenty on the line!!

Sunday rocked up and so did nice weather for our sprint format!! Numbers were down on what we expected but those who turned up had a nice challenging track. Thank you to all for your patience and support in the way we ran the day we all was in new territory with how it was run with lots of ideas for future events!

Ok so racing was fierce as for some it was a trial for the chance of representing the state teams at the A4DE in October as well as the normal Terc enduro series on the line. Well done all who participated on the day.

I would like to thank Chuggy and his team for the great work on the track

I can't thank the brumbys, wade's, butchers, Keegs, Ash, Chuggy & Gavin/Pete of CMXC enough for all the assistance in the hours/ day after the fire to make not only the event but my time a bit less stressful

Cheers to you all!!!!

Now it's time to focus on the 4th round of the Barry Richardson/ can-am motorcycle scene

GRASSTRACK series at west pine on the 19th & 20th September!!

We made the decision to move to the rain date weekend to give us enough time for collecting the gear required to host a GRASSTRACK!!

So get keen & show support to the club in its rebuilding phase

Kind regards

Kayne #29

JUNIOR CHAT

Hi all,

First of all I would like to give a big shout out to the track builders who as all ways do an awesome job especially Andrew who puts in countless hours all the time.

Well what a way to finish off the last round of the Enduro's, it was a good day weather wise not so much for the track, but the main thing is that you guys and girls had fun and there were no major injuries.

So we will see you all at West Pine and remember that you have fun, ride safely and that your bikes are CLEAN.

Cheers Chris

LADIES REPORT

Hey

Oonah Sprint was very muddy and slippery. Huge thanks to the track builders, the track would have been awesome if it didn't rain.

We started off the day with 5 ladies and ended the day with only 2 ladies. Congratulations to all the place getters for the day it was a tough track.

The next event will be a Grasstrack at Riana on Saturday the 19th and Sunday the 20th of September 2015, See map at the end of this newsletter.

Please remember we rely on volunteers assisting to make race days run smoothly so whether you're a racer, parent, friend or partner please speak to an official if you're willing to lend a hand or track building for an upcoming events your help would be greatly appreciated.

Look forward to seeing you all at Riana.

Melissa Templar #112

QUAD REPORT

A Grade

1st – Clinton Sheridan

2nd – Jedd Atkins-Denby

3rd – Matt Reilly

B Grade

1st – Ben Surmann

2nd - Jesse Gee

3rd – Michael Gee

This I must say was one of the muddiest events held for a long time. Because of the weather leading up to the event we only ended up with a small number of competitors, but thumbs up to those guys who did make the effort. Well done to all the place getters & competitors.

Let's all talk to our mates and try and get more competitors for the up and coming Grass Track @ Riana – known to be one of the best & most fun of some of the tracks. We need to continue to get numbers to the event for the Quads to continue – so let's have a go.

We would like to thank property owners for once again getting behind the club and allowing us to race because without them it wouldn't be possible. It is also not possible without the track builders & TERC committee & the volunteers on the day – thanks for the flag people.

Cheers Clint Sheridan #115

Reminders/News

Well Done to the Terc Members on making the Tasmanian A4DE Junior and Senior Teams.

Best of Luck!!

NUMBERS ON BIKES

You must run your allocated Terc number failure to do so will result in no racing!!
No exceptions.

New Updates and Changes
Please read Events Calendar for new information and also start times have changed!

Truck Drivers

Needed For up coming events please Contact Scott Murfet for further details on 04 19 139 529

A reminder to all rider's... the pit area is to park your bike up so that means when ENTERING the pits ride slowly and cautiously we will not tolerate showing off to mates because it can just take someone to walk out in front of you or another rider and you could cause injuries to someone or damage to bikes it also goes without saying do not touch anyone else's bike or gear.

Track Building Volunteers

We Always Need YOUR HELP

Contact Kayne on 0407 434 110

-You must have the appropriate Safety Gear.

-Bikes & gear must be clean

-You only get 1 x look lap doesn't matter how many bikes you ride
